When completing your application please ensure you provide enough information for the assessing committee to understand the details of the project (including how the project developed, key dates and who is involved with the preparation and delivery of the project).

Applicants must ensure their application is complete and accurate. When submitting an application, the applicant must disclose all matters that would affect the NSW Government's decision to approve the funding allocation.

Co-funding for projects are assessed favourably, particularly when an applicant has the capacity to make a financial contribution and funding opportunities are being sought from your local community.

SELECTION / APPROVAL PROCESS

Eligible applications will be assessed by a committee against the program's objectives. Applicants will be informed of the outcome in writing.

Successful applicants may be offered a smaller funding amount than applied for. This may result from a variety of factors including an inability to fund the full amount from the available grant monies.
