## Introduction

The NSW Government established the Anzac Community Grants Program (ACGP) in 2015 to help promote appreciation and understanding of the service and sacrifice of military service personnel, and support activities and services to enhance the wellbeing of the NSW veteran community. Since the establishment of the program, grants have been provided for a wide range of projects, including commemorations, preservation and display of war memorabilia, activities for the NSW veteran community and local community historical research. The program is proudly delivered by the [NSW Office for Veterans Affairs \(OVA\)](#).

## Purpose and objectives

To promote appreciation and understanding of the service and sacrifice of military service personnel or support activities and services to enhance the wellbeing of the NSW veteran community.

The ACGP is targeted at individuals and not-for-profit organisations who are based in NSW (see 'Who can apply' – page 4).

## Key dates

The ACGP operates one application round per financial year. The key 2024/25 dates are listed in the table below. Any changes will be announced on the [OVA website](#).

**Please note funds are not awarded retroactively.** This means you should not plan to start the work you are requesting funding for until after you have been advised of the outcome of your application. If your project has ongoing stages, you should not commence the stage your grant application relates to until you have been advised of the outcome.

---

ACGP stage	2024 Round
Applications open	11 September 2024, 9am
Applications close	Remembrance Day, 11 November 2024, 5pm
Approximate date for announcement of outcomes	11 February 2025

---

## Funding amounts

The ACGP is valued at \$100,000 annually. The maximum ACGP grant that will be awarded for any one application is \$3,000. Some eligible costs have limits on how much you can apply for (See 'Grant funds expenditure' – page 6).

## Support for applicants

These Program Guidelines contain information to assist you to complete an application for the ACGP. It includes information about the program, the application process, the eligibility and

OVA staff cannot prepare, review, or submit your application on your behalf. However, OVA may contact you for clarification on your application after it has been submitted, but we will not make changes to the content in your application based on these discussions.

## Application process

The ACGP uses a one-step, online application process. This means you submit one application that will be assessed based on the eligibility and assessment criteria outlined in these Program Guidelines.

### How to apply

Your application must be completed and submitted online via the [OVA SmartyGrants website](#). The online application form will be accessible from the website when an ACGP grant round is open. Hard copy applications and emailed applications will not be accepted.

To apply you must:

- complete and submit the online application form by the closing date of the round (see 'Key dates' – page 3)
- provide all the mandatory information requested in the form, including addressing the eligibility criteria
- attach all the mandatory supporting documents

You can submit more than one application per round. Each application will be reviewed on its own merit and evaluated against the other applications received in the same round, including the other applications you have submitted.

Note for all applicants:

- You must ensure your contact details are up to date in SmartyGrants.
- You must ensure you have acquitted any previous ACGP grants before completing your application for a new round.
- All requests to submit late applications or apply for extensions must be made in writing to OVA by email at [veteransgrants@veterans.nsw.gov.au](mailto:veteransgrants@veterans.nsw.gov.au). OVA may approve or decline these requests at their sole discretion. OVA will notify you in writing and our decision will be final.

### Preparing your application

When completing your application please ensure you provide enough information for the assessment panel to understand the project (including how the project was developed, key dates and who is involved with the preparation and delivery of the project).

You are responsible for ensuring your application is complete and accurate. The form contains instructions, hints, and examples to assist you with answering most questions.

To maintain the fairness and integrity of the application process, OVA staff can only provide general help to applicants. OVA staff cannot prepare, review, or submit your application on your behalf. However, OVA may contact you for clarification on your application, but we will not make changes to the content you have submitted in your application based on these discussions.

## Key information and supporting documents

The application form consists of a series of questions, as well as sections to attach supporting documents. We strongly recommend you preview the form on the [OVA SmartyGrants website](#) to familiarise yourself with the questions and the format before starting your application. The preview will be accessible from the website when an ACGP grant round is open.

You must provide enough detail and supporting evidence in your application for the assessment panel members to understand the detail of your project.

Providing all the information and supporting documents requested will strengthen your application.

The below checklist includes the key information and supporting documents required:

- Alignment to one of the ACGP categories (See 'Project requirements' – page 5).
- Details on how your project aligns with the ACGP's purpose.
- A detailed description of your project, including start and end dates.
- A project rationale of why your project needs to be done.
- Details on who is likely to benefit from your project with timeframes.
- Letters of support from your community. This can include letters from your local council, local RSL sub-Branch, local schools or other community groups.
- A full budget breakdown including income and expenditure.
- Detailed quotes for the expenditure you are applying for.
- Details of all co-contributions you have secured for the project.
- Details of the applicant organisation, including its legal name, contact information, Australian Business Number (ABN), and authorised signatories.
- Details of any previous ACGP grants the applicant organisation has received.

## Insurance

Grant recipients must maintain current and adequate insurance appropriate to the activities/services funded under this grant to cover any liability of the grant recipient that might arise in connection with the Grant Funding Agreement. A grant recipient must have and maintain the currency of its incorporation and liability insurance (minimum \$5 million).

Applicants may be asked to provide a copy of all relevant insurance policies and certificates if their application is successful.

**If your organisation is not covered by the appropriate insurance**, another organisation (such as your local council or an incorporated not-for-profit) may be able to apply on your behalf, so that your project will be covered under their insurance.

## Assessment of applications

The assessment process and criteria for the ACGP are outlined below:

## Summary of the assessment process

### Eligibility check

All applications to the ACGP received via the [OVA SmartyGrants website](#) by the closing date of each round will first be reviewed by OVA staff against the eligibility criteria and for compliance with these Program Guidelines (see 'Application process' – page 9 and 'Eligibility criteria' – page 4). Only eligible applications will progress in the assessment process.

### Assessment panel

Eligible applications will then be assessed by the Assessment Panel, which is comprised of representatives of OVA and an external stakeholder.

The ACGP application process is competitive. This means the Assessment Panel will assess each application against the eligibility criteria and the assessment criteria outlined in these Program Guidelines. They will also compare applications to others received in that round. Applications will be scored and ranked in order of merit.

The Assessment Panel may also consider other relevant information based on the content of applications received within the round.

The Assessment Panel makes recommendations to the decision-maker. The Assessment Panel may, in extraordinary circumstances, recommend applications that do not meet all the listed criteria.

### Decision-maker

The relevant Minister endorses the recommendations of the Assessment Panel.

All decisions regarding approval, amount of funding awarded, and any special conditions applied are final and there is no appeals process for the ACGP.

All applicants will be formally notified of the outcome of their application by email. Applicants must ensure that their contact details are up to date in SmartyGrants.

### Assessment criteria

The Assessment Panel uses the below criteria when conducting their assessments of eligible applications (see 'Key information and supporting documents' – page 10):

- The project aligns with the purpose of the ACGP and its objective to promote appreciation and understanding of the service and sacrifice of military service personnel or support activities and services to enhance the wellbeing of the NSW veteran community.
- The applicant has provided a thorough and feasible project plan, including a clear alignment between the project and the ACGP's purpose, clearly identified major activities, and the activities are realistic and achievable.
- The applicant has provided adequate evidence of need for the proposed project/program, including supporting anecdotal evidence, data or research findings, identified need for the project/program by OVA, other providers or media reports, evidence from community groups who will benefit from the project, and identified targeted beneficiaries align with the ACGP's target groups.
- The applicant has provided evidence that the community supports the project/program.

- The applicant has provided a reasonable/realistic budget that adds up with clearly articulated budget items. The applicant has also considered hidden costs of the project/program, supplied quotes that seem legitimate and reasonable and is seeking funding to cover eligible costs.
- The applicant has adequately accounted for the non-financial inputs (such as labour and pro bono support) that will be required to undertake the proposed project/program. The non-financial inputs are clearly articulated, reasonable and realistic.

---

## Successful applicants

OVA will send key information and documents to all the successful applicants via SmartyGrants. If you are successful, you **must complete and email these documents back to OVA** at [veteransgrants@veterans.nsw.gov.au](mailto:veteransgrants@veterans.nsw.gov.au) **within two weeks**. These documents will include:

- your Grant Funding Agreement and request for banking details.
- details of any special conditions that have been attached to your grant funding, which you must comply with, and any related timeframes.

## Grant Funding Agreement and banking details

The Grant Funding Agreement (GFA) is the legal agreement which sets out the terms and conditions related to your grant.

**It is your responsibility to provide your correct banking details to OVA.** Funds transferred to an incorrect bank account may not be recoverable.

The GFA can only be signed by authorised officers of your organisation. This may be a member of the executive/committee as deemed under the Articles of Association or Constitution for a not-for-profit organisation, or the General Manager or delegated officer if you are a council.

Please note, all applicants must provide the contact details (email address, phone number, name, and position) of the relevant authorised signatories, or their delegates, in their application form.

It is your responsibility to ensure staff availability to complete and sign documents, to read the terms and conditions of the GFA, and to sign the GFA using the correct authorised signatories.

Grant funding will be deposited into your organisation's nominated bank account within 60 days of receipt of all necessary documentation.

Note for all applicants:

- OVA will publish the details of all grant recipients on the [OVA website](#) and [NSW Government Grants and Funding website](#), including the name of the recipient individual/organisation, the project title, a brief description of the project, and the grant amount.
- OVA may contact you to participate in media promotion for the ACGP.

## Obligations, reporting and acquittal

Your full obligations following acceptance of an ACGP grant will be set out in your GFA. Important obligations are listed below:

- **You must inform OVA of any variations to your project**, such as changes to the timeline or changes to expenditure. All project variations must be agreed to in writing by OVA before any related work takes place. To discuss a variation, please contact OVA by email at [veteransgrants@veterans.nsw.gov.au](mailto:veteransgrants@veterans.nsw.gov.au). Failure to do so may result in the withdrawal of the grant offer.
- **You must complete your project within 6 months of your grant being awarded.** If your project is delayed, you must request an extension in writing from OVA before the 6-month deadline. To discuss an extension, please contact OVA by email at [veteransgrants@veterans.nsw.gov.au](mailto:veteransgrants@veterans.nsw.gov.au).
- **You are required to complete an acquittal form** at the end of your project via SmartyGrants. This will be automatically sent to you and is required to be completed no later than 6 months after the award of your grant.
- **You must retain all financial records related to grant expenditure and acquittal for seven years.** If the project team changes, it is your responsibility to forward all records to the new team.

Note:

- Projects that have indicated a completion date after the 6-month deadline (approximately 11 August 2025) in the application form do not require an extension. The acquittal form for these projects must be completed no later than 2 weeks after the estimated project completion date. If the project is delayed, you must request an extension in writing from OVA before the deadline. To discuss an extension, please contact OVA by email at [veteransgrants@veterans.nsw.gov.au](mailto:veteransgrants@veterans.nsw.gov.au).

---

## Unsuccessful applicants

Unsuccessful applicants will be formally notified of the outcome of their application by email. All decisions are final and there is no appeals process for the ACGP.

If you are unsuccessful, it does not mean your application was without merit. Funding is limited and not all applications are successful.

Unsuccessful applicants interested in reapplying to the ACGP should seek detailed feedback from OVA. It is important you understand and address this feedback on how your application could have been improved. Please contact OVA by email at [veteransgrants@veterans.nsw.gov.au](mailto:veteransgrants@veterans.nsw.gov.au).
